Keynote Speakers

Mark Mayfield will kick-off our meeting at 10:00 am which will be followed by the League's business session and conclude with a presentation by U.S. Marine Corp Lieutenant Colonel Robert Darling (Retired).

Momma Told Me There'd Be Days Like This

Mayfield will provide insight into discovering five behaviors that will help balance your life and by learning techniques to deal with your biggest stressor...PEOPLE! Mark has one of the most diverse backgrounds in the speaking industry having owned and operated several businesses ranging from livestock production to golf instruction, and spent ten years as a lobbyist in Washington, D.C. and in thirteen state legislatures for a Fortune 500 company. He co-founded "FunnierU", a national comedy training and joke writing service focusing on humor from the headlines.

24 Hours Inside the President's Bunker September 11, 2001—The White House A Crisis Leadership Presentation

Lt. Col. Darling retired from the United States Marine Corps in 2007 with just over twenty years of active duty service. After an impressive early career piloting attack helicopters in Desert Shield, Desert Storm, and as a presidential pilot with Marine Helicopter Squadron One, he was handpicked in October 2000 to work for the White House Military Office, Airlift Operations Department. It was in this position that, during the attack of September 11, 2001, he supported the President, Vice President and National Security Advisor in the underground President's Emergency Operations Center (PEOC) and witnessed unprecedented leadership and decision making at the highest levels of our government.
